Sir:

Applicant hereby petitions under 37 CFR §1.181(a) for **withdrawal of the holding of abandonment** or, in the alternative, petitions to revive the application under 37 CFR. §1.137(b).

After not receiving a written communication reply from the Patent Office, responsive to applicant's Response to the Non-Final Office Action filed on September 15, 2005, the undersigned attorney proceeded on August 28, 2006, to verify the status of the case on PAIR realizing only then that a Final Office Action dated November 28, 2005 and a Notice of Abandonment dated June 21, 2006 had been sent to the Applicant's registered address and returned to the U.S. Patent and Trademark Office.

All of the above was due to the fact that the Applicant moved from the registered address and the period of time that the U.S. Postal Service for the Forwarding Services expired to have his mail delivered to his new address. On the other hand, Applicant nor the attorney herein (who

responded to the last office action) failed to receive any courtesy call from the examiner to confirm whether the application was voluntarily being abandoned.

Therefore, Applicant submits herewith a Petition to Withdraw Holding Abandonment and also submit herewith a response to the Final Office Action. A copy of the Return Notice stamped July 5, 2006 is enclosed. The notice states that "Forward Time EXP RTN TO SEND....RETURN TO SENDER". In addition, a copy of the status of our docketing report is included.

Note, a Petition under 37 CFR 1.118(a) requesting withdrawal of the holding of abandonment as requested herein does not require a fee.

Since a reply to the Office Action is being filed it is respectfully request that the application is not deemed abandoned. Applicant requests that the Petition be granted and the Amendment be deemed to have been timely filed. Applicant thus hereby requests that the Amendment provided herein in response the Office Action of November 28, 2005 that the Applicant has retrieved from Public PAIR be accepted, that the notice of Abandonment be withdrawn, and that the above identified application proceeds.

If the Petition herein is denied, Applicants hereby alternatively Petition for Revival of the applicant under 37 C.F.R. §1.137(b). Applicant hereby declares that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition under 37 C.F.R. §1.137(b) was unintentional. As stated previously, this paper is being filed accompanied by a Response to the Final Office Action dated November 28, 2005. Applicant requests that this amendment be entered, and that the application proceeds. Authorization is hereby granted to charge the Petition fee of \$750.00 to Deposit Account No. 50-0951, if deemed necessary.

Applicants request confirmation of the granting of this petition, the removal of the holding of abandonment in writing, and prosecution of the application to take place as soon as possible.

Respectfully submitted,

Date: October 9, 2006
